

INDUSTRIAL STOCKS AGAIN DETERMINE STATUS OF MARKET

Many Realizing Sales Made But This Does Not Affect the General Trend of the Market; Crop Report Helps Out.

NEW YORK, Aug. 9.—The demand for industrial stocks again determined the character of the market today. In the early transactions the course of prices was uncertain. A few specialties rose transiently but in other quarters a reaction imposed by realizing sales. Disposition took profits was apparent throughout but interest in war stocks was unflagging.

During the afternoon railroads as well as industrials responded to a broad buying movement which continued to the close. The last quotations were on a substantially higher basis. Total sales \$95,000 shares.

Steel shares were again favorites. Among the war stock advances were in some cases from five to ten points. The crop report reacted favorably on the railroad shares, being better in some particulars than was expected. Exchange on London declined to four pence and a half, a new low record for the war period. Exchange on Paris also reached a low record at five pence and a half. Bonds were irregular. United States and Panama bonds advanced, a quarter to one-half on call.

(By L. J. Overlock)

BOSTON, Aug. 9.—Copper was off again in London today and there was no snap to the copper stocks but they are being carefully watched and will be bought heavily as soon as there is any demand for the metal. The deal between Tanjore and Calcutta & Huddell is slowly developing and Tanjore can be safely purchased under 60. Canadian Pacific declared regular dividend today.

Russia orders one hundred thousand tons of steel rails from Maryland company. Four railway labor unions may demand increased wages and eight hour day. New Haven surplus after charges for year ended June 30, \$2,307,971, a gain of \$23,663 a year ago. German crops reported ruined by drought.

SCENES IN ERIE WHEN FLOOD BROUGHT DESTRUCTION AND DEATH

These pictures were taken in Erie, Pa., on Wednesday morning, after a flood had swept through the city, killing and injuring scores and destroying property valued at about \$500,000. Upper photo was taken from porch of house washed down three blocks to ledge on Ninth street below over Mill creek. Four of former occupants of house in center are missing. Lower photo shows effect of flood on Twelfth street to south street, looking from the corner of French and Twelfth streets. House in middle foreground, which stood on left bank of Mill creek, was scene of daring and almost fatal feat of Fire Chief McMahon and four firemen in rescuing dead victims.

STATE FAIR PRIZES BOUND TO ATTRACT STAR PERFORMERS

\$5,000 Provided for Auto Races Alone While Rich Purses Will Insure Class in Harness and Running Events.

PHOENIX, Aug. 9.—The printers are putting the finishing touches on the premium list of the state fair, to be held in Phoenix from November 15 to 20, inclusive and Secretary Shaughnessy says that it will be ready for distribution within the coming week. The merchants of Phoenix have been generous enough in giving it their patronage so that sufficient money will be collected for the advertising which it contains to cover all expenses of printing.

It is the policy of the secretary of the commission to place the advertising at as low a price as possible so that just sufficient money will be produced to pay the expense of printing the list in attractive form but he does not figure on making any profit on the book.

The forthcoming list will be an attractive one, and while the premiums, particularly for harness and running races, have been somewhat reduced from former years, on account of the reduction of the appropriation made by the legislature, it will still be interesting to the racing fraternity. The purses this year for the automobile races will aggregate \$5000 and it is proposed to have a 150 mile race, the longest ever held on a circular mile track. The prizes offered and the distance to be covered is expected to attract such noted racers as De Palma, Ross, Oldfield, Cooper, Rickenbacker, Burman and other top notches in the automobile racing game.

On account of the length of the race and the injury to the track caused by it this race will take place on the last day of the fair, after all the other races have taken place.

Liberal purses are also offered for harness and running races and the success of these will largely depend upon the number of eastern horses which are brought to the racing carnival at the Panama-Pacific exposition, during the first week in November. It is expected that most of the horses, if not all, which participated in the races there will come to Phoenix and on that account the date of holding the state fair this year has been fixed one week later than ever before.

The last legislature appropriated \$8000 for making improvements to the buildings and grounds and work will be commenced on these shortly after the next meeting of the commission, which will be held during the early part of September. The total appropriation this year has been reduced from \$15,000 to \$23,000, of which \$15,000 goes for maintenance and \$8000 for improvements.

Citizens in the southern part of the state are taking great interest in the proposed El Paso-Phoenix automobile race also, and that promises to have

a much larger number of entrants than last year.

In addition to this a race is also proposed from Prescott to the Phoenix fair grounds, on one of the days of the fair. As Prescott has a number of sports citizens with the speed machine well developed this will prove an interesting attraction for the fair.

RUSSIANS WHIP TURKS

PETROGRAD, Aug. 9.—The communication tonight of fighting in the Caucasus reports the defeat of the Turks near the Euphrates. Eight of floors, three hundred men, a convoy of cannons, a herd of cattle, munitions and provisions are reported captured.

Many a Business Man

who is careful to protect himself in money matters, is careless about health—his most valuable asset.

For many, coffee drinking silently undermines health, because each cup contains about 2 1-2 grains of the cumulative, harmful drug, caffeine.

Five to six grains of caffeine will kill a rabbit or a cat, and repeated daily will cripple a man.

How crippling a man? The caffeine, little by little, causes hardening of the arteries and premature old age, showing more in some than in others.

Some of the symptoms of caffeine poisoning are headache, nervousness, biliousness, heart flutter, sleeplessness at night, and "fag" after coffee's reaction in the daytime.

The way to avoid all coffee troubles is to leave coffee alone and use

Instant Postum

—The Pure Food Drink

There's no caffeine nor any other harmful substance in Postum. Made from prime wheat, roasted with a bit of wholesome molasses, it contains all the goodness of the grains, and is nourishing, economical and delicious.

There's no "fag" in Postum, and

Here's Your Chance

To Practice Economy in Clothes Buying

—You can easily understand the real joy we get in the feeling that during this regular SEMI-ANNUAL Clearance Sale of Men's Suits we're giving the man who intrusts his money to us a generous big value for it; a better VALUE, we believe, than he can get for his money anywhere else in the Southwest.

So far as we know, in all the years we have held these CLEARANCE SALES of Men's Suits, we have never yet refused to satisfy a customer who had a claim on us, according to his idea of SATISFACTION.

It's a "golden rule" that works both ways; and it is the simplest rule ever applied to business. Giving SATISFACTION is our way of getting SATISFACTION; a principle of this business.

We strongly advise you to see the splendid suits we're selling at the low prices mentioned below. They are the most remarkable examples of quality for the money we have ever offered. The styles are such as well dressed men want.

And, our same guarantee of satisfaction holds good during this sale as if you had paid the full regular price for your suit. When you get your purchase home, if displeased, return it and get your money.
